

The London Heist

By Oliver Warren

Book Details

When an anonymous client offers former military intelligence officer, Alex Turner, the chance to steal from the most secure vault in Britain, the reward is impossible to ignore.

To succeed, he'll need to assemble a team capable of beating cutting-edge technology, relentless security, and impossible odds.

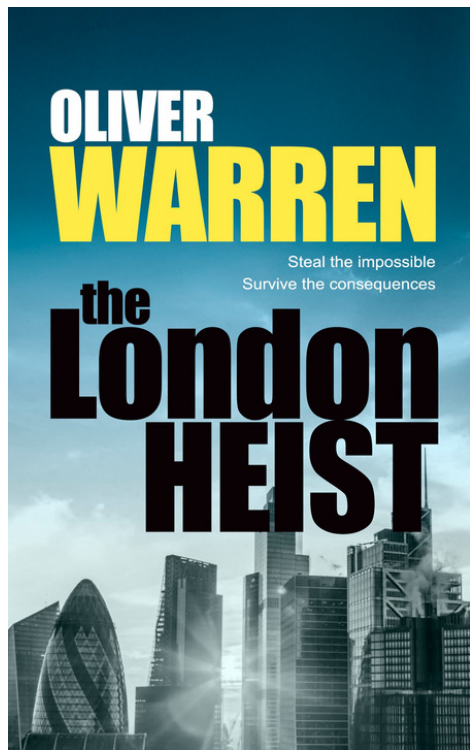

But no plan survives reality. And once the operation begins...

There's no turning back.

Author Bio

Oliver Warren writes contemporary thrillers centred on intelligence, precision and near-impossible situations.

The London Heist is his debut novel.
